The AES Standards Committee is the organization responsible for the standards
program of the Audio
Engineering Society. It publishes technical standards, information documents and
technical reports. Working
groups and task groups with a fully international membership are engaged in
writing standards covering fields
that include topics of specific relevance to professional audio. Membership of
any AES standards working
group is open to all individuals who are materially and directly affected by the
documents that may be issued
under the scope of that working group. Complete information, including working
group scopes and project
status is available at <http://www.aes.org/standards>. Enquiries may be addressed
to standards@aes.org
A standards document may be considered for "stabilized" status if it has
continuing value but there is no
