AUDIO ENGINEERING SOCIETY, INC.  
60 East 42nd Street, New York, New York 10165, US.  
The AES Standards Committee is the organization responsible for the standards  
program of the Audio Engineering Society. It publishes technical standards,  
information documents and technical reports. Working groups and task groups with  
a  
fully international membership are engaged in writing standards covering fields  
that  
include topics of specific relevance to professional audio. Membership of any  
AES  
standards working group is open to all individuals who are materially and  
directly  
affected by the documents that may be issued under the scope of that working  
group.  
Complete information, including working group scopes and project status is  
available  
at <http://www.aes.org/standards>. Enquiries may be addressed to [standards@aes.org](mailto:standards@aes.org)
